

Affirmations for the new year.

- In **2010**, I **CHOOSE** a love centered world over a fear centered world!
-
- **2010** is **MY** year! My possibilities multiply, my successes magnify, and my potential is realized!
-
- As I turn my face to **2010**, a brilliant new Sun dawns in my life!
-
- More than ever before I truly am who I came here to be in **2010**!
-
- An amazing light lives within me! My light grows brighter and brighter throughout **2010**!
-
- **2010** brings the perfect people and the perfect opportunities into my life!
-
- My personal recession ends in **2010**! My career/business is zooming to new heights!
-
- My immune system is healthy, strong, and protecting me in **2010**!
